

Equipment Financing & Leasing

Easy Asset Acquisition

Fast. Flexible. Financing.

We make it easy to finance your business assets! Ascentium Capital's consultative approach helps create a finance program to match your cash flow. Take advantage of the benefits of financing:

- ✓ No substantial cash outlay
- ✓ Avoid depleting bank credit lines
- ✓ Delay payments until equipment generates revenue
- ✓ Tax savings may lower the cost of equipment*

Experience the Difference

- Simple application-only up to \$250,000
- Credit decisions in as little as 3 hours
- Include soft costs such as shipping, tax, installation and more!
- Quick one-page document for small ticket transactions
- Little or no up-front costs
- Convenient payment options including ACH or online

Ask for a No Obligation Quote

We can quickly provide a quote. If you're not purchasing now, ask about pre-approval. We're here to help finance your next opportunity!
